Compassion

Compassion is a feeling of sympathy towards someone who is sick, suffering or less fortunate than us that prompts us to act. Acting out compassion means acting like Jesus would and helping practically (like sharing your snacks) or simply showing kindness to someone in need.

For Divesa's Hope: Lacey just found out that Gen's great-grandmother died. Even though she didn't know her great gran, she feels flowers from her garden and becomes one of her mum's holy cards.
