

When selecting a design template for your full-colour cover, please keep in mind:

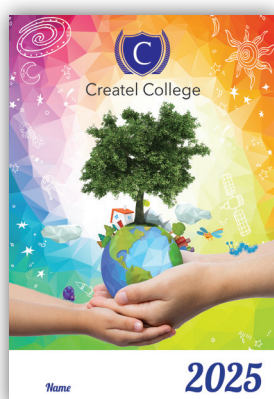

1. We can change the colours on the template to suit your school colours*
2. You are able to request different font styles and sizes
3. All photos in the templates can be replaced with your own artwork and/or photos

How to customise your design template:

1. Indicate your selected design number on your 2025 school order form
2. Advise us of the fonts and colours* you would like on your cover
3. Send all artwork (logos, photos, pictures, etc.) as high resolution .eps, .tif or .jpg files to your account manager.

* Please supply your colours as CMYK. If you are supplying PMS colours it is important to note they will be converted to CMYK, which may result in slight colour variations. Metallic colours, such as gold or silver, cannot be replicated on full-colour covers.
