

2026 Student & Teacher Diary Cover Templates

When selecting a MACS design template for your co-branded cover, your school branding will be added too.

How to customise your design template:

1. Indicate your selected design number on your 2026 school order form
2. Send your school logo artwork as high resolution .eps, .tif or .jpg file/s to your account manager.
- * Please supply your colours as CMYK. If you are supplying PMS colours it is important to note they will be converted to CMYK, which may result in slight colour variations. Metallic colours, such as gold or silver, cannot be replicated on full-colour covers.
3. Provide the school information you would like to have appear on the back cover.
